

Museum of Imagination UMA - VISIT

The ARC is the perfect place to visit for this UMA!

Brownies will:

- Discover our collection of 30,000 items from Norfolk's Guiding history
- Handle objects and documents from the archive
- Be inspired by the stories of our special star items
- Think creatively ! Use imagination! Speak in front of a group!

ARC activities are designed to inspire Brownies before completing the UMA activities on the card. Brownies will complete the entire UMA during the visit and all activities will be delivered by ARC staff.
